NOTE: Any additional information may be submitted on a separate sheet

Briefly describe your organization's mission, mandate and objectives:

What is your project that requires funding? Give a brief description of the goals of your project?

What do you estimate the project will cost?

(Please attach a project budget and quotations)

How much funding are you requesting from the Foundation? _____

Identify any other sources of income, such as federal, provincial, municipal or regional governments, corporations, organizations, service clubs, fund raising projects, membership fees, personal donations, etc. which will be used to fund this project. Please list the names, amounts applied and received from these sources:

List other organizations collaborating or partnering with you on your proposed project:

How will the proposed project benefit the Boundary Community? *(You may wish to note supporting information, statistics and/or provide one or two letters of support relative to the proposed project.)*

The Phoenix Foundation supports a broad range of projects that offer various services to the Boundary area. It also seeks to approach community challenges with creative and innovative projects. What long/short term impact will your proposed project have on the Boundary area?

Project commencement date _____

Anticipated project completion date _____
