

SD #51 (Boundary)

Non- Instructional Days

For the last 3 years the District has accommodated teachers with a request for a variance if a teacher had a scheduling conflict with August Days. Commencing 2005, if a teacher is unable to attend August days they must check with their principal and submit a blue Short Term Leave of Absence Form. Requests for Short Term Leaves of Absence are guided by the Teacher Contract.

For future consideration and scheduling —August Days are the last Monday, Tuesday and Wednesday before Labour Day.
