### **NATIONAL CHILD DAY\***

Friday, Nov. 20 is National Child Day. It commemorates the United Nations' adoption of two documents centered on children's rights: the United Nations Declaration of the Rights of the Child on November 20, 1959, and the United Nations Convention on the Rights of the Child on November 20, 1989.

Celebrating National Child Day is about celebrating children as active participants in their own lives and in communities, as active citizens who can and should meaningfully contribute to decision-making. Take time on November 20th to celebrate National Child Day. (\*Public Health Agency of Canada)
