

CLCS Parent Advisory Council
MINUTES
Monday, December 7, 2009

Attending: Bob Chapman, Julie O'Brien, Michelle Venne, Dani Collins, Dawn Sioga, Heather Fletcher, Paula Turgeon, Angela James, Doug Collins

Principal's Report:

Bob asked for feedback on the new report cards. He explained that for staff there were some advantages and disadvantages. Parents felt they were a little less personal.

Christmas concert plans were discussed. Bob pointed out there are still booklets of raffle tickets to purchase if anyone would like to sell them.

Fundraising:

PAC will have a bake sale in conjunction with the Christmas Concert. Julie O'Brien will run the early show bake sale, Heather Fletcher will run the evening one. Dani will ask Kim to put a special notice in this week's bulletin reminding parents to prepare their baking.

Dawn has spoken to a number of sponsors who have agreed to help fund the swimming lessons which we would otherwise have lost. NOTE that the sorority has baskets at the Huckleberry with proceeds going to this.

Mitten Assembly:

Grace McGregor received a special Olympic grant and wants to coordinate a special assembly with the CLCS students. There will be a special assembly on January 21 to hand them out prior to the torch running through town during the annual SnowPitch tournament. (Rumor has it that Sam Idler will be a torch bearer!)

Other business:

Next meeting: Jan 11, 2010, 6:30 pm at the school.
