

StrongStart Moves to Remote Communities

StrongStart, an Early Learning Program for pre-school aged children has opened in outlying communities of the Boundary. While the focus of StrongStart activities is on 3-5 year old children, younger siblings are welcome to attend. Children who attend StrongStart are able to learn and grow linguistically, emotionally, physically and socially and are able to become familiar with a school-like setting. The StrongStart Centres are facilitated by Licensed Early Childhood Educators who provide valuable information and referrals to community resources for parents, grandparents and child care providers.

The hours of the new Boundary StrongStart Outreach Program in Midway is Thursday mornings from 9:00 a.m. – 12:00 p.m.

Registration forms can be picked up and completed at the StrongStart Centre or anytime during regular school hours at the Midway Elementary school office. Please bring your child's birth certificate at the time of registration.
