NANCY GREENE SKI PROGRAM

Please come out and support your local ski program. The Nancy Green Program is a training program for alpine ski racers between the ages of 5-19 years. All levels welcome. A preliminary meeting of interested families will take place on October 29 at 6:30 p.m. at the Perley School Library. If you are interested or want more information, please contact Jennifer Wetmore at 250-444-7777 or Jennifer@boundarycf.com. Thank-you for your support in ensuring this program continues to run in our community!

UNICEF AT HUTTON

Every year UNICEF helps the poorest children in the world receive food, medicine, clean water and schooling. This year's campaign will focus on Rwanda, in Africa. Funds collected will go toward building schools, latrines for both boys and girls, and supplying much needed pencils and paper. Hutton has generously supported UNICEF for years, and our pledge forms for this have been sent out this week. Please consider supporting this worldwide effort to improve desperately poor children's lives. Thank you!!

BARGAIN SHOP AT THE LIBRARY!

Well-loved books are on sale in the library for the easy price of 10 cents. The "Bargain Shop" is just inside the main school library door, so check out these great additions to your child's home library. Money raised will be used to buy new books for our school!

HALLOWEEN MOVIE NIGHT –TONIGHT!!

Hutton's PAC is hosting a movie night in the gym at Hutton School **TONIGHT**. The movie to be shown on the "big screen" is Hocus Pocus. This

is a G rated movie. The admission cost is \$3.00/person and includes a juice box and popcorn. Bring a pillow to sit on.

The movie will **start at 6:30 and be over by 8:30 pm**. We will also have a best Halloween costume contest, so bring your children dressed up (you are welcome to dress for the occasion as well). There will also be other goodies for purchase.

GIFT COLLECTION FUNDRAISER

Our gift collection catalogues from QSP went home today. A few of the items are on display in our trophy case. Orders must be returned to the school by November 2nd. A good place to shop for Christmas gifts, giftwrap, etc. Thank you for supporting our PAC in their fundraising efforts for our School.

PLEASE SLOW DOWN

Please remember that the speed limit past the school is 30km/h. We have many young children walking along our front road in the morning and at the end of the day. Often they are hard to see with all the parked cars and moving vehicles. Please drive with slow care for the safety of our children.

FLAG FOOTBALL

Hutton's annual Flag Football League for Grade 6 and 7s has started up for October and November. This year we have four teams playing against each other each day at lunch. Thanks, Mr. Breedveld, for organizing this much anticipated season again this year.
