HUTTON FAMILY DANCE

Hutton's Staff and PAC are organizing and hosting a Hutton Family Dance on the evening of **Thursday, September 24th from 6:30 to 8:00 pm**. All Hutton families are invited to attend and celebrate being a part of the Hutton Community.

Mr. Breedveld has graciously volunteered his talents as the dance D.J. Many of us remember what a hit he was in past years. The theme of the dance is "Holding on to Summer". The Gym will be decorated like a beach and you can come in your favourite summer wear!!!

The Hutton PAC will again support the event by running the concession, hosting a bake sale and selling fruit mocktails at the Hutton "Hooch Hut". Like last year, there will be glowsticks for our students.

Mark your Calendars for next Thursday!!!!!!!

HUTTON BAKE SALE

The PAC is asking for volunteers to bake goods for the sale. If you can donate some time, ingredients and baking talents to the cause we would sure appreciate it. Last year the baking was very popular. Please sign the slip found below and have your child return it to the school if you can help. The baked goods will have to be brought to the school on the morning of Thursday, September 24th.

EBONY UPDATE

We've had good news from Ebony's family!! She will be undergoing the last of her chemo treatments in the next few weeks and then her tubes will be removed and Ebony will soon be able to come home. Her hair is growing back and Ebony is in her usual good high spirits. She will be visiting Disneyland with a group of patients, doctors and nurses soon and she is really looking forward to the trip.

To date over 80% of the funds raised for Ebony and her family have been disbursed. The remainder is available for future trips to Kelowna and Children's Hospital for checkups.

Our Kids, Our Schools, Our Future

Planning for the future: SD #51

This is an invitation to have your voice heard. **On Monday, September 21ST** all community members and parents are invited to participate in the first stage of helping the Board of Education plan for the future of our schools and School District. The forum will be held in the **Grand Forks Senior Secondary Gymnasium at 6:30 pm**.

School Boards in British Columbia will be facing many challenges in the near future. The S.D. 51 Board of Education wants to be prepared for what we believe our needs will be for the **next five years**. They would like to consult with parents, students, teachers and citizens.

After a presentation of the challenges being faced by the School District, participants will be broken into groups to discuss and give feedback on five crucial topics:

1. Preserving course options at our high schools
2. Managing Declining Enrolment
3. School configurations
4. More agencies in our schools
5. All Day Kindergarten

The Board of Education wants to hear from all voices. Please make time to attend this important first phase of planning for the future.

You can view and download at Forum workbook giving you much more information www.sd51.bc.ca/.
