

SCHOOL DISTRICT NO. 51 (BOUNDARY)

P O L I C Y

SECTION	TITLE	NO. 3035
EDUCATIONAL PROGRAMS/ SERVICES	<u>District-Wide Application of Technology – Electronic Communication Systems in Schools</u>	

DATE ADOPTED: May 9, 2006

DATE AMENDED:

The Board of School Trustees of School District No. 51 (Boundary) recognizes the value of electronic media and services, including telephones, faxes, electronic mail, voice-mail, LAN, Intranet and the World Wide Web to facilitate instruction, communication and administrative processes.

The Board recognizes the value of short and long term planning to ensure equitable levels of access, hardware, software and training for students, teachers, administrators and support staff.

The Board recognizes the importance of shielding students and staff from inappropriate content within District facilities.

The Board believes that access to District technology resources is a privilege, not a right; and that consequences will be applied to anyone who does not comply with this policy and attendant regulations and procedures.

Users of School District No. 51 technology are expected to act in a responsible fashion, respecting courtesy, individual privacy and District regulations and procedures.
