

BEAVERDELL ELEMENTARY SCHOOL WEEKLY NEWSLETTER

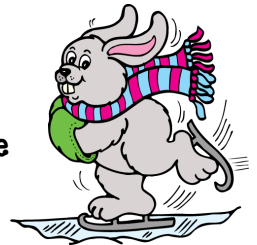

JANUARY 4 – JANUARY 7, 2010

Dear families,

Happy New Year! Welcome back to schedules, routines, etc. The coming months are the most rewarding teaching months. The students are generally ready to buckle down and focus, and that shows by the leaps and bounds they make in their learning. I look forward to seeing that growth with your child.

Please send water bottles back to school ASAP!

I was hoping to start skating next week but the ice went and melted on us. However, with this cold snap I am hopeful that we will get our wish. When we start skating, it will be on Mondays and Thursdays right after recess (at approximately 10:30 am). Again we will be looking for some parent helpers to tie skates. Please send skates on Monday and if we are able to use the rink, we will. In the meantime we will continue to enjoy the snowshoes and play "Fox and Geese", "Go, Go, Stop", etc. Also, the snow pile has been a great place to enjoy the crazy carpets.

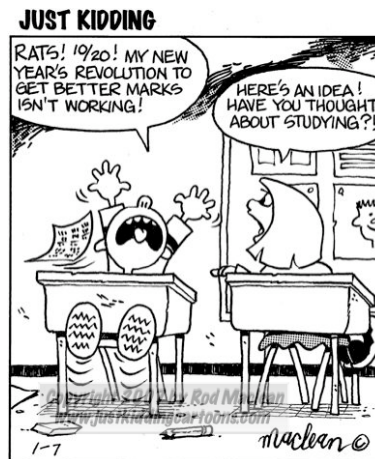

JANUARY'S HOT LUNCH MENU
