

SCHOOL DISTRICT NO. 51 (BOUNDARY)

P O L I C Y

SECTION	TITLE	NO. 5100
STUDENTS	<u>Out of Province Students</u>	

DATE ADOPTED: June 12, 2007

DATE AMENDED: February 8, 2011

DATE REVIEWED: April 17, 2018

The Board of Education recognizes that on occasion, out of province and out of country families that are not ordinarily resident in British Columbia may wish to have their children attend a School in School District No. 51 (Boundary).

Such families do not meet Section 82 (2) of the School Act, which states that a student is resident in a school district if the student is ordinarily resident in the school district and the person designated as the guardian of the student is ordinarily resident in British Columbia. Such residency is required in order for the District to receive Ministry of Education funding.

Since funding is not received from the Ministry of Education, a fee will be charged to these students as set out in the regulations.

R E G U L A T I O N S

The Superintendent has the sole authority to authorize the acceptance and registration of out of province students.

On a yearly basis:

- These students will be subject to age qualifications and placement conditions.
- The student must not require additional services and their placement in a class must not violate class size legislation.

The yearly tuition fee will be reviewed annually for each school year.

Payment of such funds must be made in advance to the District Office.

Should such a student enroll part way through the year the amount will be pro-rated.

The student should have a local guardian/sponsor to contact for emergency purposes.
