Mission Statement

The Board of Education, School District No. 51 (Boundary) will provide the opportunities for students to develop their individual and unique potentials in harmony with home, school and community, thus enabling them to become mature responsible citizens with inquiring minds and a desire for lifelong learning.

Vision

Boundary School District:

- ~where every student is inspired challenged and cared for by exceptional educators
- ~where you are welcomed, respected and valued
- ~where together we are working for our students

Values

- the provision of relevant and excellent education programs for students
- the protection, care and growth of students
- the support of its employees and the achievement of excellence in the workplace
- the provision of physical facilities meeting the best standards of cleanliness, attractiveness, safety and suitability
- reflection of the wishes of the community in Board decisions and to the responsibility of keeping the public informed
