**DATE ADOPTED:** January 8, 2008

**DATE AMENDED:**

At the January meeting of the Board, School/Trustee Liaisons and Board Committee membership shall be determined by the Board.

The purposes of the Trustee school liaison assignment are:

1. To provide increased opportunity for Trustees to become more knowledgeable about the District's schools;
2. To act on behalf of the Board when a Board representative is desired at school functions;
3. To provide opportunity for increased communication between Trustees, the school Parent Advisory Council and residents of the community.

It is not intended that this Regulation will restrict Trustees from participating in functions at any other schools in the District or from visiting any other schools in the District.
