FORM 3XXX.1B: SCHOOL VOLUNTEER INFORMATION/APPLICATION FORM

INFORMATION:

A volunteer is a parent/guardian or other person, who has made a commitment that has been accepted by a school to assist the school in some manner, by handling a number of tasks without expectation of compensation.

There are some basic expectations for volunteers:

- Volunteers must not be used to provide services that would normally be provided by an employee.
- Volunteers should function as complementary extensions of the staff responsible for the teaching/learning situation; they should not undertake tasks that require them to make program or educational decisions.
- Volunteers must not be assigned tasks that would violate the privacy of students or their families, and shall not be provided access to student records, except that contact information may be provided, where required.

To protect the safety of our students, all volunteers must complete the application form attached. Each volunteer:

- Must agree to a criminal record check;
- Must provide at least three references which may be checked by the principal; and,
- May be asked to attend an interview with the principal.
