### 15-MINUTE QUESTION PERIOD

The purpose of this portion of the Agenda is to provide the opportunity to members of the public, press, radio and staff to ask questions or request clarification on items placed on this evening's Regular Meeting Agenda. While the Board believes that communication with the public is extremely important, the regular Board is not the appropriate setting for general discussion, or comment by residents. Matters currently under negotiation or litigation or related to personnel or specific students will not be permitted. Public with general comments or questions are encouraged to contact the Chair or Superintendent individually.

One question will be taken from each person, after which, time permitting, each person may present a second question. Speakers must identify themselves before speaking. All questions will be directed to the Chair, who may refer the question to the Superintendent or Secretary Treasurer. The Chair may restrict the length of time any one individual may speak. The response to a question will be made during the meeting, when possible, or deferred until a later date when information becomes available. Individuals addressing the Board assume personal responsibility for all statements made to the Board. The Chair will use judgment to stop any inappropriate questions that would be better discussed in a different forum. The Chair may use discretion to terminate any speaker's privilege or exclude a speaker from the meeting if, after due warning, the speaker persists with conduct or remarks which the Chair considers inappropriate.
