P O L I C Y

SECTION	TITLE	NO. 3005
EDUCATIONAL PROGRAMS/ SERVICES	<u>Career Programs and Work Experience</u>	

DATE ADOPTED: April 13, 2010

DATE AMENDED:

The Board of Education supports and encourages school programs which offer work experience opportunities to students in District schools. Work experience provides students with experiences which contribute to shaping their future job or career planning.

Work experience, which can include volunteer service, is required as a component of Graduation Transitions and is a graduation requirement in the current Graduation Program. Elective work experience extends beyond the 30 hours graduation requirement.

The Board of Education recognizes that Career Programs including Work Experience can assist students in their preparation for the world of work and for career-related studies in post-secondary educational institutions and apprenticeship programs.
