Recent provincial legislation bans tobacco use on school property. This ban includes facilities, grounds and even private vehicles on school property. As a result of this regulation, a condition of on-going rental and use of District grounds and facilities are that the members of the group do not use tobacco products on school grounds and enforce this requirement within their group.

In addition, the User Group will need to make a diligent effort to communicate the same message to its audiences, guests, fans and observers who are present because of the group's sponsored event.

If the District deems a group does not meet this condition, then the Facility Usage Agreement will be terminated with one week's notice and future arrangements for facility use are in jeopardy.

The signature below acknowledges understanding of this condition for School District No. 51 (Boundary) facility use.
