

## **MEDIA RELEASE**

Week of September 8-11, 2026

### **SCHOOL DISTRICT NO. 51 Dear Parents and Caregivers**

As we begin the 2026-2027 school year in School District No. 51 (Boundary), we would like to extend a warm welcome to all new and returning students and their families.

Over the past several weeks, our school and operations staff have been busy preparing classrooms, grounds, and learning opportunities that support student success, well-being, and a positive start to the year. We are excited about the opportunities that lie ahead and look forward to another year of learning, growth, and achievement.

Whether your child is starting kindergarten, moving on to the next grade, or entering their graduating year, our dedicated staff are here to support them in their learning journey. We encourage you, as partners in learning, to have open lines of communication with your child's teacher and school administration as we collaborate to ensure our students are flourishing today so they can build a confident future tomorrow.

On behalf of the Board of Trustees and our district leadership team, I wish all learners across our SD 51 learning communities a successful year of growth and development.

Yours in learning,

Allen Davidson

Superintendent of Schools
