March 18, 2021

To SD51 families,

As we head into Spring Break, I am writing to express my gratitude for your support during this unprecedented year. As a community, and often with diverse opinions and perspectives, we have worked together to support students to continue their learning in safe, supportive environments.

Our district has had much success keeping our schools safe through our health and safety measures and our collective commitment in following them. We respectfully request you to keep up this diligence and continue to follow current public health orders over the next two weeks, so our schools can remain safe spaces for our students. Safe communities mean safe schools.

One final reminder is to please continue to use the [K-12 Health Check](#) to decide if your child should attend school based on their symptoms.

Though this Spring Break may not be like others, I hope you and your families have the opportunity to relax and recharge.

Sincerely,

A handwritten signature in cursive script that reads "Anna Lautard".

*Anna Lautard*  
*Acting Superintendent*
